Dear Mr. Shaw:

This letter is in response to your letter of June 17, 2002, relative to the status of the Rio Linda – Elverta Project.

FPL Energy, Inc. (FPLE) is currently evaluating its options with respect to this project, and its potential role in the California electricity market. FPLE anticipates reaching a decision in a 4 to 5 week timeframe. In the interim, we request that CEC Staff refrain from filing a Petition for Termination.

Sincerely,

Scott Busa
